

2026 Glade Valley MISGA Membership - Application to Join

The Glade Valley Maryland Interclub Senior Golf Association (Glade Valley MISGA) is for senior golfers, ladies and men age 50 and over, who wish to play organized golf at Glade Valley and at other MISGA clubs (see MISGA.org). The cost for a MISGA membership at Glade Valley is \$155, with \$135 of that to be paid to Glade Valley for their \$100 Valley Card plus \$35 for a Glade Valley USGA/GHIN handicap. The remaining \$20 is a MISGA fee to be paid to our treasurer, NOT the course (see contact info below). Note, the Valley Card entitles the holder when playing rounds outside of MISGA to an \$8.00 discount for play at Glade Valley before 2pm and \$5.00 off after 2 pm, plus \$2.00 off a large bag of Range balls and \$1.00 off a small bag.

A MISGA membership entitles you to play at all home and scheduled away MISGA events. Members are also entitled to play at any away MISGA event that Glade Valley is not formally scheduled to attend using an open signup process. Two types of events are played as part of Glade Valley's MISGA, regular play and mixers. Regular play events are 18-hole golf rounds played at Glade Valley with just GV MISGA members and their guests. Regular play events are on Tuesdays when not playing elsewhere. We play various net formats for a small (\$5 ante) cash pot. Mixer events are also 18-hole golf rounds but with generally larger fields. They are played both at home and at other away MISGA courses. They are played Monday-Thursday depending of the hosting venue's schedule. The format for mixers is typically the best two balls net of a foursome, where each foursome plays against the field for club prizes. Foursomes are not club vs club, but are made up of the different club members attending. Almost all mixers include morning coffee and donuts, golf with a shared cart, lunch(!), and prizes. Mixer events typically have several prizes: net team winners (1st, 2nd, ...), closest to the pin winners, and a 50/50 raffle. All events are shotgun starts played typically from the senior men's and ladies' tees and utilize USGA player handicaps. Most courses also support a tee-it-forward option.

The cost per round to play in a regular play event at Glade Valley for 2026 is \$37 and approximately \$54 for our home mixer events (menu dependent). Both are to be paid to the clubhouse at check-in on the day of the event. Players with a Glade Valley Club Membership with cart plan play free of charge for regular play events and pay only \$28 for home mixers. Away mixers range between \$45-\$75 for all members.

GV MISGA members choose which rounds they desire to play via online/email signups. There is no minimum play requirement. **IMPORTANT: You are responsible to play all events according to the USGA rules of golf and to maintain pace of play. You are also responsible for notifying the host club (home or away) of last-minute cancellations.**

To join, please pay, in person, Glade Valley GC \$135 per above and then separately, submit the following with a payment of \$20 mailed to Tom Klaus (with check payable to: "Glade Valley MISGA") or bring to our season kickoff meeting on March 24, 2026 at 8:00 am at Glade Valley (w/possible golf after) or, if later in the season, to any regular play event.
